PRELIMINARY AMENDMENT

Sir:

Preliminary to examination, please amend this
application as follows:

IN THE CLAIMS

Please add Claims 81 and 82 to read as follows:\

--81. (New) A method of using multiple smartcards
with a single reader, wherein one or more of the smartcards
each comprise printed indicia thereon each corresponding with
an associated action and a memory chip having stored therein
data associated with said indicia and said associated
actions, the reader comprising a pressure-sensitive
transparent membrane, and the method comprising the steps of:
